## Newsletter of Space Coast Woodturners – September 9, 2020

Submitted by Randy Hardy – Secretary

Russ Bremmer opened the 6th virtual SCWT meeting over Zoom for the September 2020 meeting at 7:00 P.M. About 25 people logged into this meeting that used Zoom (a teleconferencing application) that connected everyone up over the internet. SCWT invited the Brevard Woodturners & Treasure Coast Woodturners to attend. We had 2 guests - Sumner Freeman & Jared Bruckner (Treasure Coast Woodturners). This virtual meeting was in response to Melbourne Village canceling all activities at the Community House due to the COVID-19 issue.

The hands-on workshop scheduled for Saturday September 12, 2020 was also canceled.

Russ Bremmer talked with the staff at Melbourne Village – there is no new information about the cost for our monthly meetings & workshops or for the storage of our equipment for next year, but they did say that they would credit us for the months that they were closed due to COVID-19.

He also talked about social distancing – it really should be called physical distancing. Everyone needs to maintain their social contacts but limit their physical distance.

### Co - Vice Presidents – John Conway & Paul Jackson

Paul said that Trent Bosch would do a demonstration on hollowing for tonight's meeting.

### Demonstration Schedule

Here are the future demonstrations scheduled (see SCWT website for up-to-date listing):

If anyone has any suggestions about what to do for our Holiday Party, please contact Russ Bremmer.
